School Report, 1913-14

To the Superintending School Committee and Citizens of Phippsburg:—

I hereby submit to you the annual school report as required by law.

The school year was composed of a spring term of twelve weeks and a fall term of fourteen weeks.

Every town is required by law to maintain at least twenty-six weeks of school each year and it was something unusual for us to find there was not money enough to maintain the required number of weeks without overdrawing the appropriation.

The amount of money available for the support of schools the past year was \$3,006.35 and the amount actually expended in maintaining the twenty-six weeks was \$2,475.29. The balance went to pay the bills left over from the previous year.

I find by the records that the total amount of money expended for schools during the year 1912 was \$3,932.32 including text books and school supplies.

The attendance at the several schools in town was about the same as usual and I wish to say here that every teacher employed the past year performed her duties in a thorough and conscientious way. It was obvious at the beginning that the school year would be short and teachers and pupils have tried to make the most of their limited opportunity. We are not doing justice to the rising generation when we fail to provide at least thirty weeks of schooling each year.

I wish to call your attention to a few repairs that are needed on the schoolhouses and some of them should be made before the spring term begins.

The schoolhouses at Percy district and Dromore should be shingled and a few other minor repairs made. The new schoolhouses recently built are a credit to the town. We have taken the best of care of them and they are in excellent condition except the painting. This part of the work in their construction was not properly done and the walls of those buildings are now practically bare of paint.

I would advise that an appropriation be made sufficiently to give all of those buildings at least one coat of paint.

The following is a list of the teachers employed and the schools to which they were assigned:

Pitch Pine Hill, Mina Oliver; Dromore, spring term, Bessie Sprague, fall term, Beatrice M. Bowker; Center, spring term, Elenor Morse, fall term, Bessie Sprague; Parker Head, Ethel V. Lewis; Percy district, Grace Percy; Popham Beach, spring term, Mina Havener, fall term, Alberta Plant; Small Point, spring term, John Hunt, fall term, Ethel M. Nevens; Ashdale, Bernice Hosmer; West Point, Jennie L. Blaisdell; Basin, spring term, Chester B. Oliver, fall term, Mina Havener.

WM. R. BOWKER,

Supt. of Schools.
